How Green is My Valley

Photographer: Doug Bowman

Elbow Valley Cover Beautiful Homes Magazine. Bridge arches over seasonal creek.

Steps lead to the back yard and out into the Weaselhead preserve.

Home on the hill required 15 ft ladder to get a unique shot no other snapshooter will get.

Home on the hill required 15 ft ladder to get a unique shot no other snapshooter will get.

Spiral stairs

Spiral stairs. HDR to lower contrast in the shadows.

Flash balanced against daylight. No HDR.

HDR shot of country kitchen.

HDR shot of massive fireplace, log arch and south facing picture windows.

University of Calgary Law Building. Infrared film with No. 25 filter.

House on hill with field of daisies out front. Infrared film with No. 25 filter.

Summer Time. And the livin' is easy. Infrared film with No. 25 filter.

Before perspective correction in software. Holiday snap.

After persepective correction in software. Holiday snap.

Night shot under the full moon. Every light is on to balance against the bright moon.

Late evening shot, carefully balanced against ambient light captures last bit of colour in the sky.

Home, dinner waiting.... French Chateau. Holiday snap.
